

IT and Open Innovation
July 5 - 9, 2015
Singapore

The 19th Pacific Asia Conference
on Information Systems

PACIS
2015

CALL FOR PAPERS

PROGRAM INVITATION

The Pacific Asia Conference on Information Systems (PACIS) is the main international Information Systems (IS) conference and the only AIS sponsored conference in the Pacific Asia Region. The primary purpose of PACIS is to enable regional and international Information Systems researchers and practitioners to meet in an annual forum that maximizes the opportunity for the exchange of information. The world's Information Systems industry and research specialists, and academia are cordially invited to participate in a wealth of presentation, tutorials, special sessions and social activities for the advancement of Information Systems and Management.

PAPER SUBMISSION

Submit your paper via the PACIS 2015 official website at <http://www.pacis2015.org> before the deadline. More details on the paper template will be shown in the paper submission system. We also recommend that you visit the website to get the latest information related to the conference.

TRACKS

We invite submissions in all areas of Information Systems research and especially encourage submission related to the conference theme "*IT and Open Innovation*". PACIS 2015 topics will include, but are not limited to:

1. Economics of IS
